

11 January 2013

Ms. Laura Rainey
Project Manager
California Department of Toxic Substances Control
Cypress California

Subject: Request for Approval, Revised Standard Operating Procedures (SOPs)
Phase 3 Soil Sampling, Area IV of SSFL

Dear Ms. Rainey:

Attached with this transmittal letter are revised SOPs Numbers 2, 3, 4, 8, 10, 11, 12, and 13 that provide guidance for soil sampling within Area IV of SSFL. The SOPs are:

- SOP 2 Surface Soil Sampling
- SOP 3 Subsurface Sampling with Hand Auger
- SOP 4 Direct Push Technology (DPT) Sampling
- SOP 8 Field Data Collection Documents, Content and Control
- SOP 10 Sample Custody
- SOP 11 Packaging and Shipping Environmental Samples
- SOP 12 Field Equipment Decontamination
- SOP 13 Guide to Handling Investigation-Derived Waste

The SOPs have been reviewed by staff of DTSC and are now awaiting your final approval.

The SOPs have been revised in accordance with requirements specified in the Administrative Order on Consent (AOC). The SOPs have been revised under the supervision of a registered California geologist.

"I certify that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete."

Please feel free to contact me should you have any questions.

Sincerely,

Stephanie Jennings
Deputy Project Director
US Department of Energy

Michael Hoffman
California Registered Geologist
