Subject: DTSC Approval of DOE's Final Phase 3 Master Field Sampling Plan Standard Operating Procedure (SOP) for Soil Vapor Sampling, Santa Susana Filed Laboratory

Stephie and John,

The Department of Toxic Substances Control (DTSC) reviewed Addendum No. 20 to the Master Field Sampling Plan for Chemical Data Gap Investigation, Phase 3 Soil Chemical Sampling at Area IV, Final Soil Vapor SOP for DOE Sites (Addendum No. 20; MWH Americas, April 2014). The Work Plan and Master Field Sampling Plan for Chemical Data Gap Investigation, Phase 3 Soil Chemical Sampling at Area IV (CDM Programs Corporation, April 2012) was approved by DTSC on April 11, 2012.

DTSC has reviewed and commented on Addendum No. 20 since its first submittal on September 24, 2013. Based on our review, DTSC approves the final Addendum No. 20 for implementation.

If you have any questions regarding this approval, please don't hesitate to contact me at (714) 484-5434 or Mr. Mark Malinowski at (916) 255-3717.

Thank you,

Laura Rainey
