Subject: Re: Fw: Revised Sediment Plan

Stephie,
DTSC concurs with and approves the revised Addendum No. 3. I will forward the revised version to Yvette to upload to our web site. She is on vacation, so it may be a few days before it is uploaded.
Thanks
Laura

Laura:
Attached to this email is a revised Sediment plan for your review and approval. This version incorporates all of DTSC's comments.
Thanks,
Stephie Jennings, PMP
Deputy Federal Project Director
