Subject: DTSC Approval of Phase 3 Addendum No. 4 to Master WPFSP Subarea 5A

Stephie and John,
The Department of Toxic Substances Control (DTSC) reviewed Addendum No. 4 to the Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV for Subarea 5A (Addendum No. 4; CDM Federal Programs Corporation, August 2012). The Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV (Phase 3 Work Plan; CDM Programs Corporation, April 2012) was approved by DTSC on April 11, 2012.

DTSC has provided comments regarding Addendum No. 4 since DOE's initial draft subarea 5A submittal to DTSC on June 8, 2012. DTSC's subsequent comments, as well as stakeholder comments, have been incorporated. DTSC concurs with the revisions and approves the final Addendum No. 4 for implementation.

Please note, EPA and DTSC are copied on this email for posting of this DTSC-approved Addendum No. 4 to their respective web sites.

If you have any questions regarding this approval, please don't hesitate to contact me at (714) 484-5434 or Mr. Mark Malinowski at (916) 255-3717.

Thank you,
Laura Rainey

Subject:

Laura and Buck:

Attached to this email is the Addendum No. 4 to the Master Work Plan for sub-area 5A for your approval. This addendum includes the data gap analysis and the proposed sampling locations and objectives for each sample. This version reflects the incorporation of all DTSC and

public comments. It reflects discussion we have had with DTSC, incorporation of DTSC comments, and reflects input received at the stakeholder meeting.

Thanks so much.

Stephie Jennings, PMP
Deputy Federal Project Director

This version includes the proper dates.
