Stephie and John,

The Department of Toxic Substances Control (DTSC) has reviewed the attached revised SOPs Numbers 2, 3, 4, 8, 10, 11, 12, and 13 (Revised SOPs, CDM Federal Programs Corporation, January 2012). Based on our review and previous comments, DTSC concurs with the revisions and approves the Revised SOPs for implementation. These approved Revised SOPs will be posted on the DTSC-SSFL web site and will be incorporated into the approved Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV (Phase 3 Work Plan, CDM Federal Programs Corporation, April 2012).

If you have any questions regarding this approval, please don't hesitate to contact me at (714) 484-5434, or Mark Malinowski at (916) 255-3717.

Thank you,
Laura Rainey
